Welcome to the IU League!

We would like to thank you for joining our professional sisterhood!

The IU League, the “League”, is a networking / leadership community in South Florida for women that is focused on the “total woman”. We have a 360 degree approach to your success with business, motivation, as well as health and wellness programs.

As women network differently than men, the IU League is for career women who are entrepreneurs, corporate employees as well as women who are looking to start their own business. The primary objective to create activities and opportunities where women can:

- *Receive professional leadership training*
- *Network and cultivate the relationships they need to reach their personal and professional goals*
- *Get involved in our community*
- *Help you achieve Financial Freedom!*

To achieve this goal, we have developed a variety of opportunities for you including: Monthly Meetings with informative speakers, 2 Total Women’s Conventions, the Monthly Goal Mastery Webinar Series to keep you on track with your goals, 2 community projects, IU League member website for you to stay in touch and be informed, as well as our National Women’s Career Expo and Job Boards to help you find the career of your dreams. In addition, if you are an entrepreneur, we have a variety of opportunities for us to promote your business with our VIP membership.

As we would like to thank you again for your participation in our sisterhood, please check out all of the benefits you will receive in the next few pages and don’t forget to log in to your membership page on Inspiration County.
